

**“Wedding photography that tells a complete story”**

*Fresh Look Images is a family of professional photographers. We shoot all of our weddings with TWO photographers with one shooting unposed documentary style (wedding photojournalism) and the other shoots in the more traditional posed. The blending of these two distinct styles of photography creates a beautiful mix of images that truly tells a complete story of your wedding day.*

*Because every bride and groom’s needs are different Fresh Look Images has a fresh and unique way for couples to obtain our photographic services. We offer 3 starting points at which you can build your custom package.*

**Images taken**

*We typically shoot anywhere from 700-1,500 images at a wedding depending on the number hours contracted for. These images include color, b&w, sepia tone, colorized and special effects.*
